## A message from the Organisers:

The FleetwoodStock Music Festival happens because of the time and **money many people devote and pledge to the weekend**. A big 'thank you' to you, if you attended and/or played at the event and supported us throughout the weekend, thank you, without you we would not have a festival.

Big thank you to the Marine Hall and Wyre Borough Council, to Keiran and all the Bar, Catering and support staff. All the helpers. John Robinson, Becci, Steve and Andrea Walker, Steve Hanvey, Woody and Ann. The sound and lighting crew: Tony, Stuart, Dave, Rich and Craig.

**Alan Pearson and Dave Mann, without their help non of this year's festival** would have happened.

Thank you to Stuart Harris, The Masonic Lodge, Granada Fish Bar, JW Fish, L Ivison, Tower Blues, Adam Black Guitars, The Melody Box, JHS, The New Boston Hotel, Munro Printers and Wristbands.co.uk.

A special thank you goes out to Daz Rice from Dazamakiz Music Shop for the use of the drum kit, guitar amps and equipment and his prizes in the raffle.

We will be able to let you know how much has been raised once all invoices and amounts are in. Normally two week after the festival.

A big thank you goes from the organisers to all those who have played and helped over the years to make FleetwoodStock a resounding success.

And to all of the bands, we wish you all the very best in your musical endeavours,

Simon, Peter and Alan.

Harris & Co is a Fleetwood Agent, run by Fleetwood people for Fleetwood people and is proud to do so. We offer services in residential sales, lettings and property management, financial services and investments; all based on integrity, honesty and general good advice.

Stuart Harris is a member of the National Association of Estate Agents.

## FleetwoodStock 2011 - Main Sponsors

Harris & Co was born on 1st September 1995, having bought out the Entwistle Green Estate Agency who were withdrawing from the town. Fleetwood born & bred owner and principal Stuart Harris planned and implemented straight forward policies that have proved successful, allowing the business to go from strength to strength. The office expanded further with the lettings department doubling in size.

Krysta Strachan joined the successful residential team in 2004. The increase in business required further recruitment in the form of Lesley Booth and Linda Miller who again strengthened the team and provided the necessary drive for expansion.

With the residential department increasing in size year on year, as has the letting department in residential and commercial management, specialising in this town of Fleetwood. The company has made its mark in the fabric of the local community and has shown its appreciation by supporting local charities including football teams (junior and senior clubs), netball teams, musical events, cricket clubs and rugby clubs in the form of sponsorship over the past decade.
